

Performance Task for Decimals

Directions

1. Draw the initial for your first name in the first grid and the initial for your last name in the second grid.
2. Count how many squares your initial takes up for each letter.
3. There are 100 squares in each grid. Write the fraction that represents the portion of the grid that is colored for each of your initials.
4. Write the decimal that represents the portion of the grid that is colored for each of your initials.
