Suburbianity Byron Forrest Yawn,2013 Rick Warren famously wrote It s not about you But much of the Western church seems to disagree having settled for a self centered message of personal fulfillment With incisiveness and a passionate love for the church pastor and author Byron Forrest Yawn offers a compelling call away from narcissism and back to the powerful and transforming gospel of Jesus He shows the difference between Sunday morning life coaches selling self help seminars and preachers proclaiming God s redemptive work through Christ promises of prosperity and comfort and a realistic and helpful perspective on suffering escape from unbelievers and their godless world and redemptive engagement with people As Byron exposes the false gospel of suburbianity he offers readers a better alternative to look beyond themselves and embrace God s call to be His image bearers and ambassadors partnering with Him as He restores people and all creation to His original design
