If someone tries to take you somewhere, yell and scream, "This man is trying to take me away!" or "Help me, this man is not my father!" (or mother, if it is a woman.)

THIS MAN
IS NOT MY

Coloring Pages Stranger Danger:

Stranger Danger Christopher Lee, 2016-09-06 *Stranger Danger* is an informative book about not talking to strangers. It is a fun way to teach children to stay out of the dangers of strangers. There are drawing pages and coloring books in the back of the book for kids to enjoy.

The A B C Book on Protecting Yourself from Strangers Joshua O. Hardy, 2011-05 *The ABC Book on Protecting Yourself from Strangers* will help children protect themselves and aid in preventing child abduction. It has twenty-six words, one for each letter of the alphabet, followed by brief explanations helping children to learn their stranger danger alphabet through word association. This book will help children learn and remember rules such as A is for alert. Always be on alert for a stranger. B is for beware. Beware of tricks strangers may use. C is for code. You and your parents should always have a stranger danger code word or number. It has fun and helpful activities such as word search, multiple choice, fill in the blank questions, and more. It also has a safety names and numbers page so that your child can write down their safety names and numbers to further assist them in staying safe.

The Beach Date Grace Palmer, Annette Wilson doesn't know what to do. After ten years she's back on the Isle of Palms and reconciled with her older sister Charlene. She thought she'd put her old life, her cheating husband, with a second family behind her. But she thought wrong. Because out of nowhere Frederick reappears on her doorstep asking for forgiveness and a second chance. It would be so easy, maybe too easy to slip right back into the way things once were. But is that the right choice? Or is this fresh start in her hometown not to mention a budding connection with the handsome owner of a new local restaurant who seems to have quite an eye for Annette what she actually needs. Torn between the old and the new Annette can't decide which way to turn. Then she wakes up feeling queasy. And her world flips upside down. Pregnant at 40. She hardly knew such a thing was possible. And more to the point. She hardly knows what to do next. Can she pick right?

Always a Bigger Fish Dani Haviland, 2018-04-11 Just when you think you've nabbed crime's biggest boss you realize there's ALWAYS A BIGGER FISH. Arrested and in prison the De Luca brothers were no longer a problem for Arlie and the Anchorage Police Department but whoever's been taking scalps is. When Arlie's forensic specialist's former co-worker from North Carolina comes to visit the two detectives discover the scalp-seeking bandit they're looking for in both states is the same person. For fans of *The Fairies Saga* you'll remember Detective Billy Burke and his young son Mac from *AYE I AM A FAIRY* and *THE GREAT BIG FAIRY*. Father and son have come out for a winter vacation but it seems helping Arlie catch the baddie is the best and safest thing for him to do. Enjoy the blending of the two series. Although it's book three this thriller is fun as a stand-alone. You can always come back for more Arlie Undercover stories.
