Combine Jpegs Into One Document

**William Dwight Whitney, Benjamin Eli
Smith**

Combine Jpegs Into One Document:

Write Your Family History: Easy Steps to Organize, Save and Share Stephen Szabados, 2014-04-09 Writing a family history does not have to be an overwhelming task This book outlines a simple process that will aid your research and create pages of information that can be read and understood by all family members Your research will become faster and more accurate and your family can enjoy the family history Remember our writing should go beyond finding documents and filling in charts Hopefully the methods discussed in this book will show the reader a simple format that will make this task much easier You may be reluctant to write down these stories because you do not consider yourself a writer Our ancestors were ordinary people Why should we write about them All of our immigrant ancestors contributed to America s history and their stories should be saved for our grandchildren Our family histories should give clues of their roles and this will help us understand our roots
