

The concept of perceived hate has also been in the spotlight for a long time. A lot of international students are oversensitive and perceive rejection in the verbal and non-verbal communication and behavior of their peers.¹ Underutilization of skills, a negative attitude, lack of sensitivity of different values and cultures are generally taken very personally and affect the well-being of the students. Social connectedness is something that can be maintained by the student himself. After coming to a new place, with a completely different environment than they have been in
