

Chapter 15. Postwar America

Lesson 1: Beginning the Cold War

- _____ 1. A 45-year period of fighting between two superpowers in which neither fought each other directly, was never a "hot" military conflict.
- _____ 2. Alliance of the western European nations, created in reaction to NATO.
- _____ 3. Stopping transport of goods via roads, railroads, and waterways.
- _____ 4. Lending billions to rebuild Europe, reducing famine and housing crisis due to war.
- _____ 5. Main goal of the Cold War - prevent the spread of communism.
- _____ 6. Truman promised to aid nations like Greece and Turkey that were under attack from communist threat.
- _____ 7. Western European countries, aligned with North American countries in mutual defense.
- _____ 8. A year-long effort to supply West Berlin with supplies.

Lesson 2: The Korean War

- _____ 9. Leader of communist China after the Chinese Civil War.
- _____ 10. Asian version of NATO.
- _____ 11. Dividing line of the Korean conflict, where the DMZ is.

Lesson 3: The Cold War Intensifies

- _____ 12. Following the death of Stalin, this man became the Premier of the USSR.
- _____ 13. American pledge to defend any Middle East nation from communism.

Chapter 2section Postwar America Worksheet With Answers

Mike Jess

Chapter 2 section Postwar America Worksheet With Answers:

Nobody's Boy and His Pals Hendrik Hartog, 2024-07-05 An engaging account of social reformer Jack Robbins the Boys Brotherhood Republic and their legacy In 1914 social reformer Jack Robbins and a group of adolescent boys in Chicago founded the Boys Brotherhood Republic an unconventional and unusual institution During a moral panic about delinquent boys Robbins did not seek to rehabilitate and or punish wayward youths Instead the boys governed themselves democratically and with compassion for one another and lived by their mantra So long as there are boys in trouble we too are in trouble For nearly thirty years Robbins was their supervisor and the will he drafted in the late 1950s suggests that he continued to care about forgotten boys even as the political and legal contexts that shaped children s lives changed dramatically *Nobody s Boy and His Pals* is a lively investigation that challenges our ideas about the history of American childhood and the law Scouring the archives for traces of the elusive Jack Robbins Hendrik Hartog examines the legal histories of Progressive reform childhood criminality repression and free speech The curiosity of Robbins s story is compounded by the legal challenges to his will which wound up establishing the extent to which last wishes must conform to dominant social values Filled with persistent mysteries and surprising connections *Nobody s Boy and His Pals* illuminates themes of childhood and adolescence race and ethnicity sexuality wealth and poverty and civil liberties across the American Century

Machine Dreams Philip Mirowski, 2002 This is the first cross over book into the history of science written by an historian of economics It shows how history of technology can be integrated with the history of economic ideas The analysis combines Cold War history with the history of postwar economics in America and later elsewhere revealing that the Pax Americana had much to do with abstruse and formal doctrines such as linear programming and game theory It links the literature on cyborg to economics an element missing in literature to date The treatment further calls into question the idea that economics has been immune to postmodern currents arguing that neoclassical economics has participated in the deconstruction of the integral self Finally it argues for an alliance of computational and institutional themes and challenges the widespread impression that there is nothing else besides American neoclassical economic theory left standing after the demise of Marxism

Comparative Politics : Domestic Responses to Global Challenges : a Canadian Perspective Charles Hauss, Miriam Catherine Smith, 2000

Todd & Curti's the American Nation Paul S. Boyer, 1995 This book explores seven broad themes central to American history global relations the Constitutional heritage democratic values technology and society cultural diversity geographic diversity and economic development They provide a context for the historical events which will help the student understand the connections between historical events and see how past events are relevant to today s social political and economic concerns Themes in American history Throughout the book the student is asked to think critically about the events and issues that have shaped U S history Helping the student develop critical thinking skills is a key goal of the text Critical thinking and the study of history *Instructor's Manual to Accompany*
