## **College Guide In Preparation Program Teacher:**

**A Guide to College Programs in Teacher Preparation** National Council for Accreditation of Teacher Education, 1999-06-04 This valuable resource is the definitive guide to nationally accredited institutions that prepare teachers. Students embarking on teaching careers need guidance to select the college or university programs that will best prepare them for the complex demands of today's classrooms and students. As the profession continues to change dramatically, aspiring teachers must meet higher standards from school districts, state licensing boards, and professional associations. Many of these standards begin with the National Council for Accreditation of Teacher Education (NCATE). Only half of the country's teacher preparation programs have met NCATE's rigorous standards. This guide provides vital information about each of the accredited colleges and universities, from tuition, size, and length of program to descriptions of noteworthy program features, including clinical experience opportunities. In addition to providing detailed information on the 500 accredited programs across the nation, this guide lists the accredited programs that meet especially high standards set by leaders in each teaching field. The guide's resource materials make it easy for the student, guidance counselor, and career advisor to gain up-to-date information about becoming a teacher today. **A Guide to College Programs in Teacher Preparation** is updated every two years.

**How to Become an Oregon Teacher** Oregon Univ. System, Eugene, 2006 The purpose of this Advising Guide is to assist pre-college, community college, college, and university students and faculties in understanding the admission and program requirements in becoming a teacher in Oregon. The Guide is designed to help prospective teachers know where to start, what is involved, how to become involved, and who to contact with questions. The Guide provides answers to many of the frequently asked questions regarding how to become a teacher. It provides information on the basics of licensure, teacher preparation programs, transferring from an Oregon community college, and financial aid. It directs students to the appropriate contact persons on Oregon two and four year campuses for additional information and advice. Appended are: 1. Teacher Standards and Practices Commission; 2. Oregon Approved Teacher Preparation Programs; 3. Other Educator Licenses Graduate Programs; 4. Teacher Preparation Programs Endorsements; 5. Teacher Preparation Institutions Contact Person List; and 6. Community College Contact Person List.
