*The Magnificent Mrs Tennant* David Waller, 2009-07-07 Gertrude Tennant's life was remarkable for its length 1819-1918 but even more so for the influence she achieved as an unsurpassed London hostess. The salon she established when widowed in her early fifties attracted legions of celebrities among them William Gladstone and Benjamin Disraeli, Oscar Wilde, Mark Twain, Thomas Huxley, John Everett Millais, Henry James and Robert Browning. In her youth she had a fling with Gustave Flaubert and in her later years she became the redoubtable mother-in-law to the explorer Henry Morton Stanley. But as a woman in a male-dominated world, Mrs Tennant has been remembered mainly as a footnote in the lives of eminent men. This book recovers the lost life of Gertrude Tennant drawing on a treasure trove of recently discovered family papers, thousands of letters including two dozen original letters from Flaubert to Tennant, dozens of diaries and many other unpublished documents relating to Stanley and other famous figures of the nineteenth and early twentieth centuries. David Waller presents Gertrude Tennant's life in colorful detail placing her not only at the heart of a multigenerational matriarchal family epic but also at the center of European social, literary and intellectual life for the best part of a century.

*Global Visions of Violence* Jason Bruner, David C. Kirkpatrick, 2022-12-09 In *Global Visions of Violence* the editors and contributors argue that violence creates a lens, bridge and method for interdisciplinary collaboration that examines Christianity worldwide in the twentieth and twenty-first centuries. By analyzing the myriad ways violence, persecution and suffering impact Christians and the imagination of Christian identity globally, this interdisciplinary volume integrates the perspectives of ethicists, historians, anthropologists and ethnographers to generate new conversations. Taken together, the chapters in this book challenge scholarship on Christian growth that has not

accounted for violence while analyzing persecution narratives that can wield data toward partisan ends This allows Global Visions of Violence to push urgent conversations forward giving voice to projects that illuminate wide and often hidden landscapes that have been shaped by global visions of violence and seeking solutions that end violence and turn toward the pursuit of justice peace and human rights among suffering Christians
