

# DBQ ESSAY QUESTION ONE

## Step 1: Analyzing the question

**Directions:** The first step in doing any DBQ is determining exactly what the question is asking you to do. Jot down your ideas in your workspace.

*Jacksonian Democrats viewed themselves as the guardians<sup>1</sup> of the United States Constitution, political democracy, individual liberty, and equality of economic opportunity.*

*In light of the following documents and your knowledge of the 1820's and 1830's to what extent do you agree with the Jacksonians' view of themselves?*

In order to answer this question fully, you will need to include a consideration of:

- 1--who the Jacksonians<sup>2</sup> (or Jackson's supporters) were
- 2--the constitutional<sup>3</sup> issues of the 1820's and 1830's and how Jackson dealt with them
- 3--any evidence that political democracy<sup>4</sup> was being challenged or developed at this time
- 4--issues of individual liberty<sup>5</sup> raised during the 1820's and 1830's
- 5--issues involving equality of economic opportunity<sup>6</sup>
- 6--how well the view that Jacksonian Democrats were guardians of the four areas can be supported.

Give specific examples of all four areas. You will find some examples in the documents, which you will read and analyze first. Draw on information that you have learned in your studies to provide other examples and to help explain the extent to which you agree with the statement.

## Step 2: Recalling relevant information

**Directions:** When answering any essay question, you should briefly list the main events of the time period addressed before you read the documents (do so in your work space). This will become your "outside information" that you will weave into your essay. Essays that lack this required outside information do not generally receive very high scores.

---

<sup>1</sup> Or protectors.

<sup>2</sup> This includes the various groups in Jackson's broad coalition, such as small farmers and urban workers.

<sup>3</sup> This includes issues such as states' rights, nullification, and the U.S. Bank.

<sup>4</sup> A simple definition of democracy is a government in which people have a voice or there is majority rule.

<sup>5</sup> This includes issues about slavery, women, and Native Americans.

<sup>6</sup> This includes opportunity for small farmers and working men and women.
