Epic Fails Salvador Jiménez Murguía,2018-09-15 Many of the most successful innovations from the light bulb to the Internet have often resulted from ingenuity ambition and dedication Such achievements have changed lives for the better Yet for every new development that the public embraces there is a dark side of progress cultural byproducts that litter the road to obscurity Just because something is a failure however doesn t necessarily mean that it shouldn t matter In *Epic Fails The Edsel the Mullet and Other Icons of Unpopular Culture* Salvador Jim nez Murgu a examines some of the most iconic missteps of the past several decades In order to shed light on the inherent often comic strain in American life between fame and infamy the author surveys some of the best or rather worst of what man has to offer From fashion flops like the mullet and Zubaz pants to marketing mistakes like Bud Dry New Coke and Crystal Pepsi this text captures the unintentionally entertaining milieu of failure Placing these gaffes in cultural context Murgu a considers how each of these products crashed and burned while trying to arrive at an answer to the ultimate question What were they thinking Whether these attempts were doomed from the start failed because of consumer indifference or were simply the victims of poor timing this book returns them however briefly to the spotlight A fascinating look at man made disasters *Epic Fails* is an entertaining treatise about the forgotten and infamous endeavors of American creativity or lack thereof
