

**KEN REID
NEWFOUNDLAND'S
DOG WHISPERER
DOG TRAINING PROGRAM**

Not all dog training programs are equal. Even among the quality ones, there are disparities.

I often say that **Ken Reid Newfoundland's Dog Whisperer Dog Training Program** is the most comprehensive training program in the province. I say that proudly with no malice or arrogance. People need to understand when you sign up for a program, it is not ONLY the course you are paying for. Frankly, the course itself should be viewed as an important but small piece.

Research before you take the jump, you will be happy you did. Compare, and draw your own conclusions.

Program from Training Facility X	Ken Reid Newfoundland's Dog Whisperer Dog Training Program
6-8 week training course sometimes supplemented by a couple of levels	6-8 week training courses with a clear path of progression through multiple levels of training and courses designed to not only meet obedience needs but general socialization concerns
Handouts that are often outdated using debunked training methodology	Manuals using the latest in evidence based practice and training methodologies are distributed in each course
Contact using phone or email address	Contact using Facebook, Email, Phone, Twitter. These accounts are checked daily with lots of free information and direction given out.
Website that may give the barest details of what goes on in class and the methodology used	Organized evening group dog walks open only to current and past students (offered free of charge)
	Organized weekend group dog walks open to all
	Optional One on One sessions to help with any behaviour concerns which cannot be addressed appropriately in class
