

A Level Business Exam...

10 mark "Assess" questions (Level-based)

PEEL structure similar to 8 & 12 mark questions but *one more stage of development needed in each point made and a final judgment/conclusion needed at the end!*

Paragraph 1 (Point for)

Paragraph 2 (Point against)

Paragraph 3: This is your supported final judgement (conclusion) – answer the question after you have made your arguments with justification. Weigh up the arguments you have given (see final point on Page 1 of this document). **DO NOT SUBMIT EARLY POINTS PREVIOUSLY MADE!**

Note – if this is an "Assess the importance of..." question then it is good practice in your counterbalance paragraph to suggest and justify factors which may be of greater importance!

Level	Mark	Descriptor
	0	A completely inaccurate response.
Level 1	1–2	Isolated elements of knowledge and understanding – recall based. Weak or no relevant application to business examples. Generic assertions may be presented.
Level 2	3–4	Elements of knowledge and understanding, which is applied to the business example. Chains of reasoning are presented, but may be assertions or incomplete. A generic or superficial assessment is presented.
Level 3	5–6	Accurate knowledge and understanding, supported by relevant and effective use of the business behaviour/context. Analytical perspectives are presented, with chains of reasoning, showing cause(s) and/or effect(s). An attempt at an assessment is presented, using quantitative and/or qualitative information, though unlikely to show the significance of competing arguments.
Level 4	7–10	Accurate and thorough knowledge and understanding, supported by relevant and effective use of the business behaviour/context. A coherent and logical chain of reasoning, showing cause(s) and/or effect(s). Assessment is balanced and well contextualised, using quantitative and/or qualitative information and shows an awareness of competing arguments/factors leading to a supported judgement.

Business Exam Grd24
