

An Example of a Great Classification Essay

My iTunes Library and How It Defines Me "New York is more than a tan that you'll never lose," this quote is by Lady Gaga, who is one of my favorite singers. Quotes like these are unique. This quote shares uniqueness with the music I listen to, which defines me and my personality. I consider myself to be a very unusual and colorful character. Anyone who didn't know me should be able to figure out my personality just from listening to the music I own. This is primarily because I listen to a variety of genres when it comes to music. The genres that dominate my "Top 25 Most Played" playlist are: pop, alternative, electronic, hip-hop, and jazz.

Pop music for me isn't just a genre, it's a lifestyle. Pop is basically the soundtrack to my life. Whether it's a night out on the town with my closest friends, recovering from a bad break-up, or needing some encouragement after a rough day; there's a pop song to be played. And with my iTunes library, there's never a shortage in pop music. Roughly 60 percent of the 1500 songs in my music library are all pop. The most popular artists I listen to in this genre are: Miley Cyrus, Britney Spears, Selena Gomez, Demi Lovato, Maroon 5, Lady GaGa and Ke\$ha.

Each of these artists has a different "persona" when it comes to pop music. Miley Cyrus is the rebellious teen who just wants to have a good time. Some of her songs feature heavy processed vocals, while in other ballads, she shows off those pipes that made her famous. Britney Spears is the pop queen of my generation. She shouldn't necessarily be classified as a singer because she's more of a performer. Britney plays the "Good Girl Gone Bad" role perfectly and she has let us know this since she sang her most infamous lyric "I'm not that innocent!" Demi and Selena are the pop princesses next door.

They never sing anything too risqué. Maroon 5 is more of pop-rock, and their music is for one of those rainy days when I'm sad. Ke\$ha and Lady GaGa deserve their own branch of pop music because their songs are so exotic compared to other artists. Ke\$ha is all about glitter, drugs, and partying. I'm certain every single one of her songs mentions glitter or alcohol. She also "wakes up in the morning feelin' like P-Diddy" according to her hit single "Tik-Tok." How a Caucasian female can wake up in the morning feeling like an African American male baffles me.

Lady GaGa is probably the most talked about pop artist. She manages to out-weird herself at every award show. GaGa is all about accepting one's self, and singing about topics one would not normally sing about. Topics such as but not limited to: sex, money, homosexuality, rebelliousness, colorful hair, religion, and alcohol have all made appearances in one of GaGa's hit singles. These ladies are all unique in their own way and they make up the reasons why I love pop music. Alternative or "Indie" music is for the hipster inside of me
