

INSTRUCTIONS FOR APPLYING FOR A NURSE PRACTITIONER FURNISHING NUMBER

Section 2836.3 of the Business and Professions Code requires that the Nurse Practitioner who wishes to furnish drugs and/or devices pursuant to Section 2836.1 have a California Board of Registered Nursing issued furnishing number. The number is renewable at the time of the applicant's Registered Nursing (RN) license renewal. To be eligible for the furnishing number, the California Board of Registered Nursing certified Nurse Practitioner must have completed a California Board of Registered Nursing approved advanced pharmacology course. The advanced pharmacology course must be completed at any nationally accredited master's or post-master's level academic Nurse Practitioner program. Continuing Education course(s) are not acceptable to meet the Nurse Practitioner Furnishing Number advanced pharmacology course requirement.

APPLICATION PROCESS

For applicants who completed a California Board of Registered Nursing approved Nurse Practitioner (NP) Advanced Pharmacology Course, please provide the following:

- Nurse Practitioner Furnishing Number Application form completed by the applicant and \$50.00 application fee.
- Advanced Pharmacology Course Verification form completed by the director of the Nurse Practitioner program.

For applicants who completed a Nurse Practitioner (NP) Advanced Pharmacology course more than five (5) years preceding the date of submitting the application to the California Board of Registered Nursing, in addition to the items noted above, you must also provide the following:

- A verification(s) of employment history which contains a minimum of five (5) years experience working as a Nurse Practitioner and prescribing/furnishing medication.
- A copy of your state license/certificate that allows you to prescribe/furnish medication as a Nurse Practitioner.
- A copy of your Drug Enforcement Agency (DEA) pocket identification card.
- A copy of that State's rules/regulations regarding prescriptive/furnishing authority for Nurse Practitioners.
- If applicable, a copy of the procedures/protocols/collaborative/practice agreement set in place by the supervising physician that allowed the Nurse Practitioner to use their prescriptive/furnishing authority in the state where they are licensed/certified.

Falsification of information on the application is a violation of the Nursing Practice Act and may result in not only denial of the issuance of the furnishing number, but also in Board disciplinary action against the applicant's registered nursing license.
