A vibrant rainbow is drawn across the middle of the surface, with the word 'Celebrating' written in blue cursive along its curve. The North American West in the Twenty-First Century Brenden W. Rensink,2022-11 In 1893 Frederick Jackson Turner famously argued that the generational process of meeting and conquering the supposedly uncivilized western frontier is what forged American identity In the late twentieth century new western historians dissected the mythologized western histories that Turner and others had long used to embody American triumph and progress While Turner s frontier is no more the West continues to present America with challenging processes to wrestle navigate and overcome *The North American West in the Twenty First Century* edited by Brenden W Rensink takes stories of the late twentieth century modern West and carefully pulls them toward the present explicitly tracing continuity with or unexpected divergence from trajectories established in the 1980s and 1990s Considering a broad range of topics including environment Indigenous peoples geography migration and politics these essays straddle multiple modern frontiers not least of which is the temporal frontier between our unsettled past and uncertain future These forays into the twenty first century West will inspire more scholars to pull histories to the present and by doing so reinsert scholarly findings into contemporary public awareness

Branding Japanese Food Katarzyna J. Cwiertka,Yasuhara Miho,2020-02-29 Branding Japanese Food is the first book in English on the use of food for the purpose of place branding in Japan At the center of the narrative is the 2013 inscription of Washoku traditional dietary cultures of the Japanese notably for the celebration of New Year on UNESCO s Representative List of the Intangible Cultural Heritage of Humanity The authors challenge the very definition of washoku as it was presented in the UNESCO nomination and expose the multitude of contradictions and falsehoods used in the promotion of Japanese cuisine as part of the nation branding agenda Cwiertka and Yasuhara argue further that the manipulation of historical facts in the case of washoku is actually a continuation of similar practices employed for centuries in the branding of foods as iconic markers of tourist attractions They draw parallels with gastronomic meibutsu famous products and edible omiyage souvenirs which since the early modern period have been persistently marketed through questionable connections with historical personages and events Today meibutsu and omiyage play a central role in the travel experience in Japan and comprise a major category in the practices of gift exchange Few seem to mind that the stories surrounding these foods are hardly ever factual despite the fact that the stories rather than the food itself constitute the primary attraction The practice itself is derived from the intellectual exercise of evoking specific associations and sentiments by referring to imaginary landscapes known as utamakura or meisho At first restricted to poetry this exercise was expanded to the visual arts and by the early modern period familiarity with specific locations and the culinary associations they evoked had become a fixed component of public collective knowledge The construction of the myths of meibutsu omiyage and washoku as described in this book not only enriches the understanding of

Japanese culinary culture but also highlights the dangers of tweaking history for branding purposes and the even greater danger posed by historians remaining silent in the face of this irreversible reshaping of the past into a consumable product for public enjoyment **Kabalikat** ,2009 How Sentiment Matters in International Relations: China and the South China Sea Dispute David Groten,2019-07-29 Der Aufstieg der Volksrepublik China stellt die internationale Politik und Diplomatie vor immense Herausforderungen Gleichzeitig nehmen die Spannungen zwischen den USA und der Volksrepublik unaufhörlich zu Beide Staaten steuern unmittelbar auf einen Konflikt zu den keine Seite intendiert und dessen allumfassende Konsequenzen noch kaum absehbar sind Ein besonderer Schauplatz dieser wachsenden Auseinandersetzung ist die Region Südostasien in der sowohl die USA im Verbund mit einigen Anrainerstaaten als auch die Volksrepublik China miteinander in einem harten Wettbewerb um die regionale Vorherrschaft stehen Dieses Buch zeigt anhand der territorialen und maritimen Konflikte in der Südchinesischen See auf dass Chinas zunehmend proaktive und rücksichtslosere Position gegenüber diesen Konflikten und den Konfliktparteien auch eine Folge der zunehmenden Wahrnehmung von Respektlosigkeit und dem damit einhergehenden Wunsch Chinas dies entsprechend zu korrigieren ist und nicht allein eine strategische Entscheidung oder gar unvermeidliche Entwicklung darstellt Auf diesen Ergebnissen aufbauend wird die Möglichkeit eines nachhaltigen Konfliktmanagements diskutiert und entsprechend eine Reihe konkreter Handlungsempfehlungen formuliert **Index of American Periodical Verse** ,1996 Black Theater, City Life Macelle Mahala,2022-08-15 Macelle Mahala's rich study of contemporary African American theater institutions reveals how they reflect and shape the histories and cultural realities of their cities Arguing that the community in which a play is staged is as important to the work's meaning as the script or set Mahala focuses on four cities arts ecologies to shed new light on the unique relationship between performance and place Cleveland home to the oldest continuously operating Black theater in the country Pittsburgh birthplace of the legendary playwright August Wilson San Francisco a metropolis currently experiencing displacement of its Black population and Atlanta a city with forty years of progressive Black leadership and reverse migration Black Theater City Life looks at Karamu House Theatre the August Wilson African American Cultural Center Pittsburgh Playwrights Theatre Company the Lorraine Hansberry Theatre the African American Shakespeare Company the Atlanta Black Theatre Festival and Kenny Leon's True Colors Theatre Company to demonstrate how each organization articulates the cultural specificities sociopolitical realities and histories of African Americans These companies have faced challenges that mirror the larger racial and economic disparities in arts funding and social practice in America while their achievements exemplify such institutions vital role in enacting an artistic practice that reflects the cultural backgrounds of their local communities Timely significant and deeply researched this book spotlights the artistic and civic import of Black theaters in American cities Outdoor Illinois ,2011 KENAL News ,2014-06 Color for Architects (Architecture Brief) Juan Serra Lluch,2019-05-14 As far back as the earliest Greek temples color has been an integral part of architecture but also one of its least understood elements Color
