

Chapter 3: The Interview Guided Reading

All information is taken from: Jarvis, C. (2020). Physical examination and health assessment (8th ed.). St. Louis, MO: Saunders Elsevier.

The interview process is an important part of data collection.

Please read through the introduction on page 23 of your textbook, and then answer the following questions:

Define subjective data: **what the person says about himself or herself**

Define objective data: **what you obtain through the physical examination**

Identify which type of data is gathered during the interview process: **subjective**

The interview is considered a **contract**. What information should be included in the contract?

1. **time and place of the interview and physical exam**
2. **introduction, define your role**
3. **purpose of the interview**
4. **how long it will take**
5. **expectation of participation for each person**
6. **presence of others, family, etc.**
7. **confidentiality**
8. **cost the patient must pay**

Please read pages 23-26 and answer the following questions. The process of communication is an important piece when interviewing a patient. Please define and list the following things.

Sending: **verbal communication and nonverbal communication being said or expressed**

Receiving: **interpretation of the message that was sent**
