ELA/SIXTH GRADE

FLANAGAN

WHO HAVE YOU CHOSEN TO RESEARCH?

By now, you have selected a person of historical significance to research. You should be acquiring sources, for your research. You must have at least two books for your research. Remember, the book need not be about your famous person specifically. If your person was involved in civil rights issues or in aviation, books about the subject matter may reference your individual.

The instructions and timeline for the project follow. Please pay close attention to the days you will be working in the classroom. Your focus within the class is essential for your success on this project. Time will be given for writing. Use this time efficiently.

BIOGRAPHY RESEARCH REPORT/ TIMELINE

This timeline is a **GUIDE**. Students may move forward if they complete a task before the scheduled date. I will be grading as each step is reviewed.

1. **MONDAY, JUNE 9th-** Bring in two books for your research project and , if possible, note cards to create notes for your project. I will have some in class. If you have found other sources from the internet, library or Instagrok you will using these as well. We will be working on notecards in class. You will receive two points for each notecard up to fifteen. Know that they must be categorized by topic heading. You must have a page number and source (book, website from which you took information)on your card. **ALL INFORMATION SHOULD BE PARAPHRASED. NO PLAGIARISM.** Each card should offer new, unique information about your person's life. I will spend time Monday showing you how these should look. I have posted a slide show on my webpages that will help you with notecards. Please access it to help you with this task.
