

The Language of the Classroom Study Guide Part 2

NOTE: Make sure your answers are clear and well organized. Use all the guidelines in the **Directions** and **Assignment** sections of the **AP**. This assignment is worth **100 points**.

Part 1

Ques 1

1. Explain the relationship between the two studies with a minimum of two paragraphs. Be sure to include what you understand about each study. (10 points)
2. Explain the reasons why researchers use the guidelines in the study you chose. They are there to make sure that the research is fair to all and properly reported and written. (10 points)
3. What are the ethical issues associated with each of these studies? What does the research show you about? (10 points)
The first research affected the lives and relationships. This suggests a relationship existed between the technology and students.

Ques 2

1. What is Perdue's purpose in describing the research as he is, which will be doing? What does he think is the purpose of Perdue's research to be done?
Using research to show students that they can make a good choice.
2. What does the first guy Perdue mentions about students? What is Perdue's suggested better response?
Change his behavior.
3. What are the ethical issues associated with the research? What are the ethical issues?
Parents are not well informed and staff are not trained.
4. How do the subjects of the study feel about being used in this way? What does Perdue say about the researchers?
The researchers' behavior was inappropriate and the researchers they're responsible for it.
