Dancing with Futanari Lara Longstaff,2020-01-30 Futa on Male Erotica Toby didn't know what his coworker Larry had in store for him when he took him to the Lusty Lady strip club that Friday night after work The young man had just won a promotion at work but had no idea that Larry had taken him to their town's favorite futa strip club Toby is at first shocked then embarrassed when he's brought on stage but later meets the girl of his dreams Can he handle the enormous endowment between her legs Like most of my futa stories the futas in *Dancing With Futanari* are dickgirls rather than herms and have endowments of incredible rather unrealistic sizes Enjoy *Stripped, 2nd Edition*

How to Become a Stripper Ali Donahue,2015-06-19 You ve

probably heard of college students stripping part time to cover the cost of their tuition and for good reason You can make a ton of money in a short period of time and you don t need any work experience at all to get the job The only deterrent really is the social stigma but if you can get past that then stripping is a great way to earn a significant income whether as a part time side job or even as your full time career Sure stripping isn t for everyone but if you re considering it or on the fence about whether or not it might be right for you then this book is going to give you a lot of valuable insight that will help you make up your mind And even better I m going to explain how to be financially successful as a stripper and also how to avoid the pitfalls that are so common in this industry If you re ready to dive into the world of stripping and see what it might have to offer you then let s get started

Cosplay Stripper Samantha Sampson,2020-05-13 It s a nearly impossible costume to pull off much less to look good in it but Kennedy is the walking and talking embodiment of Dancing Sun at the convention She has the blue sailor top the tiny skirt just everything The only downside is that the costume is so revealing that she s in a sort of perpetual state of embarrassment She puts up with it though because she has big plans for her man He s always been a fan of the anime show and she s going to give him the full fantasy treatment That means the little anime vixen is going to be putting on a striptease show and Dancing Sun won t be getting out of this predicament Warning This ebook contains very explicit descriptions of sexual activity during a stripper sex encounter It includes strip tease lap dance roleplay and rough sex It is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults

The Naked Result Jessica Berson, 2016 We have grown accustomed to corporate influence in retail outlets restaurants and even higher education but what happens when corporations take over desire The Naked Result How Exotic Dance Became Big Business explores the changing world of striptease tracing its path from the unruly underground to brightly lit branded gentlemen's clubs Drawing on her own experience as an exotic dancer Jessica Berson examines the ways that striptease embodies conflicting notions of race class and female sexuality and how the exotic dance industry deploys these differences to codify and commodify our erotic imagination Chain clubs fitness programs and music videos are moving exotic dance into the mainstream stripping its historical potential to embody and express subversive desires erotic and otherwise and generate resistant modes of female erotic subjectivity Through case studies including Boston's Combat Zone in the 1970s 80s the development of lap dancing in London in the 1990s and the triumph of corporate striptease in post-Giuliani New York City in the last decade The Naked Result reveals an industry that increasingly eradicates individuality and agency in order to increase profits Ultimately The Naked Result argues that corporatization has cheerfully smothered the diversity of desire and expression for both dancers and customers repackaging the most mysterious human emotions into easily branded experiences no more personal or powerful than those to be found in any themed restaurant or coffee mega chain
