neutralizing the presumed threats that they pose Such representations not only provide strangely comforting reminders that badness is a cultural construct but also prompt audiences to reflect on their own unspoken proclivities for antisocial behavior if only in passing

Broadcasting & Cable ,2005-07 **Why We Love Sociopaths** Adam Kotsko,2012-04-27 Sociopaths are pervasive in contemporary television from high brow drama all the way down to cartoons and of course the news as well From the scheming Eric Cartman of South Parkto the seductive imposter Don Draper of Mad Men cold and ruthless characters captivate us making us wish that we could be so effective and successful Yet why should we admire characters who get ahead by being amoral and uncaring In his follow up to Awkwardness Adam Kotsko argues that the popularity of the ruthless sociopath reflects our dissatisfaction with a failed social contract showing that we believe that the world rewards the evil and uncaring rather than the good By analyzing characters like the serial killer star of Dexter and the cynical Dr House Kotsko shows that the fantasy of the sociopath distracts us from our real problems but that we still might benefit from being a little more sociopathic
