

CPS Framework for School Counselors

Adapted from the Danielson Framework for School Counselors, with permission from Charlotte Danielson

Domain 1: Planning and Preparation

Component	Unsatisfactory	Basic	Proficient	Distinguished
1a: Demonstrating knowledge of counseling theory and techniques appropriate to the setting	School Counselor shows evidence of little or no knowledge of counseling theory and techniques.	School Counselor shows evidence of basic knowledge of counseling theory and techniques.	School Counselor shows evidence of comprehensive knowledge of counseling theory and techniques.	School Counselor shows evidence of comprehensive knowledge of counseling theory and techniques.
1b: Demonstrating knowledge of child and adolescent development	School Counselor displays little or no knowledge of child and adolescent development.	School Counselor displays general knowledge of child and adolescent development.	School Counselor displays accurate knowledge of the typical characteristics of the age group, as well as exceptions to the general patterns.	In addition to accurate knowledge of the typical characteristics of the age group, as well as exceptions to the general patterns, School Counselor displays a broad range of the extent of the child and adolescent's behavior from the general patterns.
1c: Establishing goals and roles for the school counseling program aligned to state and national standards that address the needs of students	School Counselor has no clear goals for the counseling program, or they are aligned to either state or national standards or the needs of the students overall. The counseling program's organization is not clear and reflects a lack of School Counselor's scope of work or common pending duties.	School Counselor's goals for the counseling program are rudimentary, and are partially aligned to the state or national standards and the needs of the students overall. The development's organization is not reflective of School Counselor's scope of work or common pending duties.	School Counselor's goals for the counseling program are clearly aligned to state and national standards and the students overall. The development's organization is clear and reflective of School Counselor's scope of work or common pending duties.	School Counselor's goals for the counseling program are highly aligned to the state and national standards and the students overall. The goals have been developed to address state/national standards, programs, results, and strategies to address student behaviors or needs. The development's organization is clear and reflective of School Counselor's scope of work or common pending duties. Overall, the development's organization is clearly aligned with the ASCA model.
1d: Demonstrating knowledge of state and federal regulations and of resources both within and beyond the school, community, and district	School Counselor shows evidence of little or no knowledge of state and federal regulations available through the school, community, or district.	School Counselor displays a rudimentary understanding of regulations available through the school/district, but no knowledge of resources available in the community.	School Counselor displays a clear understanding of state and federal regulations available through the school/district, and some familiarity with community resources.	School Counselor displays a broad range of state and federal regulations available through the school, district, and in the community.

CPS Framework for School Counselors

Adapted from the Danielson Framework for School Counselors, with permission from Charlotte Danielson

Component	Unsatisfactory	Basic	Proficient	Distinguished
2a: Planning a developmental counseling program, aligned with ASCA standards (academic, social/emotional and career), and integrated with the school program	Counseling program consists of a narrow selection of selected activities, lacking coherence, alignment, or a common framework. School Counselor does not collaborate with students individually or in groups.	School Counselor's plan has a guiding principle and includes a number of activities for activities, but some of them don't align with ASCA standards and the school. School Counselor's plan is occasionally meeting with individual students or groups to advance the program goals.	School Counselor has developed a plan that aligns ASCA standards and includes the components required for the school program. School Counselor's plan is regularly meeting with individual students or groups to help students reach personal academic and social outcomes.	School Counselor's plan is highly coherent, aligned to ASCA standards, includes ways to align the school program and resources to support work with the students individually and in groups, but the district's broader educational programs. School Counselor consistently plans opportunities for students to increasingly use the skills gained and reflect academic and personal growth in their lives.
2b: Developing a plan to evaluate the school counseling program	School Counselor has no plan to evaluate the program, or creates a suggestion that such an evaluation is important.	School Counselor has a rudimentary plan to evaluate the counseling program.	School Counselor's plan to evaluate the program is organized and well thought out and the evaluation of outcomes indicates the degree to which the goals have been met.	School Counselor's evaluation plan is highly organized, with a clear plan to evaluate the program and a clear plan to improve the program as a ongoing basis.
