Susan Booyesen

Cput Application Form For 2015:

The Transformative Power of Language Russell H. Kaschula, H. Ekkehard Wolff, 2020-09-10 Language has played a pivotal role in societal transformation in postcolonial Africa towards the creation of globally competitive knowledge societies however so far this role has been under researched and under estimated This volume addresses this gap in the literature by bringing together a team of globally recognised scholars to explore the effect of language on African postcolonial societies and how it has contributed to achieving mental decolonisation A range of languages are explored both imported ex colonial and indigenous African and case studies from different spheres of public discourse are investigated from universities to legal settings Demonstrating that multilingualism is a resource for rather than barrier to successful transformation this book brings the intellectualisation and institutionalisation of African languages to the forefront of development discourse and provides an insightful snap shot of how current academic research public discourse political activism and social community engagement have contributed to societal transformation in South Africa

Fees Must Fall Susan Booyesen, 2016-10-01 This book explores the student discontent a year after the start of the 2015 South African FeesMustFall revolt FeesMustFall the student revolt that began in October 2015 was an uprising against lack of access to and financial exclusion from higher education in South Africa More broadly it radically questioned the socio political dispensation resulting from the 1994 social pact between big business the ruling elite and the liberation movement The 2015 revolt links to national and international youth struggles of the recent past and is informed by black consciousness politics and social movements of the international left Yet its objectives are more complex than those of earlier struggles The student movement has challenged the hierarchical top down leadership system of university management and it s double speak of professing to act in workers and students interests yet entrenching a regressive system for control and governance University managements while on one level amenable to change have also co opted students into their ranks to create co responsibility for the highly bureaucratised university financial aid that stands in the way of their social revolution This book maps the contours of student discontent a year after the start of the FeesMustFall revolt Student voices dissect colonialism improper compromises by the founders of democratic South Africa feminism worker rights and meaningful education In depth assessments by prominent scholars reflect on the complexities of student activism its impact on national and university governance and offer provocative analyses of the power of the revolt
