

5th Grade Research Project

"The Countries of the World"

It is your job to learn about one of "The Countries of the World." This project will incorporate a detailed type written/ hand drawn magazine, notes/note cards used to create the magazine, a Power Point project (Pecha Kucha) to aide in a presentation about your country to the class, and a cooked dish from your country. Due dates for each piece are next to the description.

Magazine (Done in class and at home) Due Friday, April 26
Notes due Monday, April 12

- Notes/Note cards will need to be used to plan out the factual information you want to present in your magazine. (This helps you put everything in your own words)
- I want the magazine modeled after the Time For Kids World Edition passed out in class.
- The Magazine must contain the following: (For a 3)
 - A cover depicting some aspect of your country with its name and your name.
 - Introduction about your country
 - The demographics of your country (Talk about the different types of cultures, religions, languages, etc.)
 - Geography of your country and how that affects the people who live there. (i.e. housing, activities for fun, weather, plant life, etc.)
 - 4 hand drawn postcards depicting unique aspects about your country along with a detailed description.
 - Overview of your country's history in a timeline format with a description of the event. (Think about the timelines in your history book only with descriptions. Talk about major events; things that changed the country forever.)
 - I want a page that has quick facts on it with a map of your country. (Hand drawn) Questions, a graph, flag and description, slogan, motto, song, etc.
 - Your country's economy (what makes your country money) Talk about both natural resources and manmade products.
 - 1 more thing that you found to be interesting or unique (here you can be creative and add anything you want that teaches us about your country)
- An additional 3 pieces of your choosing will be required to have the chance to receive a 4
- You must have 3 sources and 1 must be a book. (A bibliography should be included at the end of your magazine. Information will be given out talking about how to write your bibliography later.)

Hand drawn art is required on all pages & all pieces typed.
