ASSIGNMENT QUESTIONS

1. Introduction paragraph

I understand the three dimensions: structural, technical and behavioral and understand the importance of each dimension to organizational success and impact.

2. Detail answer

The three dimensions are: structural, technical and behavioral. The structural dimension refers to the organization's design and structure, the technical dimension refers to the organization's knowledge and skills, and the behavioral dimension refers to the organization's culture and values. These three dimensions are interrelated and all contribute to the organization's success and impact. The structural dimension is the most visible and measurable, but the behavioral dimension is the most important and difficult to change. The technical dimension is the most important and difficult to change, but the behavioral dimension is the most important and difficult to change.
