

**STUDY GUIDE ANSWER KEY**

# MODERN BIOLOGY

A detailed illustration of two owls with their wings spread wide. The owls are shown from a slightly elevated, front-facing perspective. Their feathers are intricately detailed with various patterns and colors, including shades of brown, tan, and grey. The owls' eyes are a striking, bright orange-red color. The background is dark, making the light-colored feathers stand out. The overall composition is symmetrical, with the two owls facing each other.
